standard residential appliances may range from about \$55 to \$95, depending on the area.

The labor charge will be based on the actual time spent doing the repair multiplied by the hourly rate. This rate will also vary according to area, and should be disclosed up front.

Comparing Flat Rate vs

Labor Guide

...

If a repair costs a total of \$216.00 to install a part, presenting the repair as a flat rate, your customer knows exactly how much they will be paying up front. When you present the cost as \$38 for the part, \$79 for your service charge and \$99 for labor, many
