Boy Scout Handbook is the official handbook of Scouts BSA. It is a descendant of Baden-Powell's original handbook, *Scouting for Boys*, which has been the basis for Scout handbooks in many countries, with some variations to the text of the book depending on each country's codes and customs. The original edition of the handbook was based on Baden-Powell's work.

Filled with practical advice for everyone, the book contains everything from safety tips on swimming and instructions for putting up a tent to directions for making an aquarium and pointers on how to identify common North American trees.

~~Boy Scouts Handbook (The First Edition), 1911: Amazon.co...~~

The illustrations show scouts of different kinds – Cub Scouts, Scouts BSA (Boy Scouts at the time), Venturing (Explorers at the time), Sea Scouts, and Air Scouts – engaging in mostly outdoor activities. The calendars were large – 22 by 44.5 inches (56 by 113 centimeters) – and featured a single image for the year; the months were changed by tearing off a paper portion at the bottom.
