Reduction Manual, addresses water and wastewater management. The wastewater section of that manual provides a basic primer on brewery wastewater effluent and case studies of on-site wastewater pretreatment options. Since the publishing of the first water and wastewater guidance manual there has been significant regulatory and brewery activity.

Craft Brewing Operations Brewing beers in Oregon and distrustful to 21 other states, Deschutes is a craft brewery founded in 1988. During an operations walk through in 2013, it was determined that there was a problem in box cutting and packaging. Technical director, Kris Scholl, stopped the line and questioned how the problem could be stopped.
