The Eucharistic Congress of 1932 established a core of sacred music which was widely used in the liturgy for decades. The visit to Ireland of Pope John Paul II in 1979 provided an opportunity to bring together in one collection some of the liturgical

Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners through an entire day in 1904. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor.

As the number of available priests has declined, the Sunday Mass is becoming less and less available in some parishes and dioceses. Sunday Celebrations in the Absence of a Priest addresses this growing reality by providing the appropriate ritual to be used in the celebrating community. This revised ritual edition of Sunday Celebrations in the Absence of a Priest is fully bilingual, with Spanish and English printed side by side. It includes Morning Prayer, Evening Prayer, and two appendices, Directory for Sunday Celebrations in the Absence of a Priest and Gathered in Steadfast Faith. This beautifully bound ritual book includes three ribbons and is printed in two colors. It will be a welcome addition to the sacristy or library of every parish, school, convent, and religious house.

Plainchant is the oldest substantial body of music that has been preserved in any shape or form. It was first written down in Western Europe in the wake of the Carolingian renaissance of the 8th and 9th centuries. Many thousands of chants have been sung at different times or places in a multitude of forms and styles, responding to the differing needs of the church through the ages. This book provides a clear and concise introduction, designedboth for those to whom the subject is new and those who require a reference work for advanced studies. It begins with an explanation of the liturgies which plainchant was designed to serve. All thechief genres of chant, different types of liturgical book, and plainchant notations are described. The later chapters are complemented by plates, with commentary and transcriptions. After an exposition of early medieval theoretical writing on plainchant, a historical survey follows the constantly changing nature of the repertory through from the earliest times to the restoration of medieval chant a century ago. The historical relations between Gregorian, Old-Roman, Milanese, Spanish, and otherrepertories is considered. Important musicians and centre of composition are discussed, together with the establishment of Gregorian chant in all the lands of medieval Europe, and the reformations andrevisions carried out by the religious orders and the humanists. Copiously illustrated with over 200 musical examples transcribed from original sources, the book highlights the diversity of practice and richness of the chant repertory characteristic of the Middle Ages. As both a self-contained summary and also, with its many pointers to further reading, a handbook for research, it will become an indispensable reference book on this vast subject.

This edition includes the liturgies for Discernment for a New Church Mission; A Liturgy for Commissioning a Church Planter, Missioner or Mission Team; A Liturgy for the Opening of a New Congregation; Setting Apart Secular Space for Sacred Use; a new Litany for the Mission of the Church; and a variety of Church Planting collects, blessings and other prayers, and hymn suggestions.
