The Bernan Press edition of the Social Security Handbook: Overview of Social Security Programs, 2009 contains information about the benefit programs administered by the Social Security Administration. The Handbook includes the provisions of the Social Security Act (the Act), Code of Federal Regulations sections issued under the Act (Title 20, Chapter III and Title 42, Chapter IV), and precedential case decisions (rulings). New regulations and amendments to regulations are published in the Federal Register.

This Handbook is a useful guide and reference for Water Utility workers to learn useful information pertaining to water metering and backflow prevention operations that can be used each day on the job. Some of the topics covered are: meter reading, meter selection, meter repair, tools, safety, regulations, compliance, solving problems, backflow installation, backflow maintenance, engineering, construction, plan review, inspection, career advice, customer service, billing, water services, and utility projects.From Back Cover:ATTAIN INDUSTRY KNOWLEDGE, OPERATIONAL COMPETENCE, AND TRADE SKILLS WITHOUT YEARS OF JOB TRAINING! Readers just starting careers at Water Utilities will benefit most from this Handbook, but even seasoned veterans will find useful insights on a wide range of topics related to water meters and backflow preventersMark Hurley currently supervises water metering and cross connection control operations for a municipal utility. He started his career over a decade ago as a crew leader repairing water meters with an underground utility contracting company. Afterward, Mark worked his way up the ranks at two utilities as a meter crew worker, water distribution crew leader, and lead meter service technician.

Includes the decisions and orders of the Board, a table of cases, and a cross reference index from the advance sheet numbers to the volume page numbers.
