Considered the classic source by means of the authors' proven learning experiences from the field, as well as its excellent balance of theory and application, DIRECT SOCIAL WORK PRACTICE: THEORY AND SKILLS prepares social work students for effective practice. Authoritative, well organized, and soundly written with an appropriate level of rigor, this thorough introduction to practice grounds students in theory while connecting them through vivid examples and vignettes to real-world applications with clients. Many case examples are drawn from social work practitioners as well as the authors' own practice situations. The book is divided into four parts: Part One provides the foundational/values and knowledge base material; Part Two is devoted to the beginning phase of the helping process; Part Three addresses the middle phase (goal attainment strategies), discussing four intervention approaches; and Part Four clarifies the termination phase of direct practice. Furthermore, as part of the Brooks/Cole Empowerment Series, the ninth edition is completely up to date and thoroughly integrates the core competencies and recommended practice behaviors outlined in the 2008 Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). Video demonstrations are available on the optional CourseMate website and ensure student learning experiences are as close to real life as possible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Packed with examples, illustrations, and proven learning experiences from the field, DIRECT SOCIAL WORK PRACTICE: THEORY AND SKILLS, Eighth Edition prepares social work students for effective practice. Long acclaimed for its appropriate level of rigor, the book provides an excellent balance of theory and application. Authoritative, well organized, and soundly written, this thorough introduction to practice grounds students in theory while connecting them through vivid examples and vignettes to real-world applications with clients. Many case examples are drawn from social work practitioners as well as the authors' own practice situations. The text's integration of the major theories and key skills that direct social work practitioners need to understand and master has earned it a reputation as the classic source for preparing students for direct practice. The book is divided into four parts: Part One provides the foundational/values and knowledge base material; Part Two is devoted to the beginning phase of the helping process; Part Three addresses the middle phase (goal attainment strategies), discussing four intervention approaches; and Part Four clarifies the termination phase of direct practice. Completely up to date with the latest issues and developments, the Eighth Edition also includes an all-new student video demonstration DVD ensuring student learning experiences are as close to real life as possible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Involuntary clients are required to see a professional, such as juveniles on probation, or are pressured to seek help, such as alcoholics threatened with the desertion of a spouse. For close to two decades, Strategies for Work with Involuntary Clients has led in its honest analysis of the involuntary transaction, suggesting the kind of effective legal and ethical intervention that can lead to more cooperative encounters, successful contracts, and less burnout on both sides of the treatment relationship. For this second edition, Ronald H. Rooney has invited experts to address recent theories and provide new information on the best practices for specific populations and settings. He also adds practical examples and questions to each chapter to better facilitate the involvement of students and readers, plus a section on motivational interviewing.

Part of the Brooks/Cole Empowerment Series, this ninth edition integrates the core competencies and practice behaviors outlined in the 2008 Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). This classic text helps students recognize ethical issues and dilemmas, reason carefully about ethical issues, clarify their ethical aspirations at the level demanded by the profession, and achieve a more ethical stance in their practice. It places ethical decision making within the context of professional ethics and provides useful guidelines, including two ethical screens to help social work practitioners identify priorities among competing ethical obligations. Developed specifically for social workers, it features numerous case-like exemplars based on real-world practice, drawn from a variety of social work settings. This comprehensive and uniquely focused text is equally effective as a core resource for social work ethics courses, or as a valuable supplement within introductory, practice, or practicum courses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

DIRECT SOCIAL WORK PRACTICE: THEORY AND SKILLS, 9E, International Edition prepares you for effective real-world practice. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- An empowerment-based method of social work which integrates core themes of the profession. This text is part of the Connecting Core Competencies Series. Generalist Social Work Practice, 7th edition, fully integrates core social work themes of collaboration, the strengths perspective, values and ethics, social justice and human rights, evidence-based practice, cultural competence, and policy practice. This text offers a progressive practice approach grounded in social work research, reflective of social work values, sensitive to client diversity, and applicable to work with any level of client system including individuals, families, groups, organizations, and communities. Beginning with engaging clients as partners and continuing with assessing, intervening, and evaluating from a strengths perspective, this approach offers social workers a method that fully realizes core social work values, respects client competence, and activates client resources within the context of their lives. All parts of the practice process are described in detail, connected to social work theory, illustrated with case examples, and supported with evidence from social work research. Each chapter focuses on teaching the knowledge, values, and skills reflective of the core competencies and correlated practice behaviors as described in the 2008 Educational Policy and Accreditation Standards (EPAS). A better teaching & learning experience This program will provide a better teaching and learning experience--for you and your students. Here's how: Personalize Learning -- MySearchLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking -- Teaches students specific strategies to identify and use client strengths in their practice. Engage Students -- Offers numerous case examples to apply the empowerment method to all levels of social work, with diverse clients and situations, and across fields of practice. Explore Current Issues -- Includes new practice research findings and updates to demographics to ensure currency. Apply CSWE Core Competencies -- The text integrates the 2008 CSWE EPAS, with critical thinking questions and practice tests to assess student understanding and development of competency. Support Instructors -- An Instructor's Manual and Test Bank, Computerized Test Bank (MyTest), BlackBoard Test Item File, MySearchLab with Pearson eText, and PowerPoint presentations are included in the outstanding supplements package.
