edition. Where there is an international application for a financial issue, you are very likely to find it in this text. Furthermore, the 16th edition gives substantial coverage to the recession and liquidity crisis that has engulfed the U.S. and world economies in the latter part of the 2000–2009 decade (and into the current decade).

The only textbook written specifically for Intermediate or Advanced Corporate Finance courses, Brigham/Daves' INTERMEDIATE FINANCIAL MANAGEMENT, 13E equips readers with a solid understanding of both conceptual theories and practical financial skills. With corporate valuation as a unifying theme, the text emphasizes the theoretic groundwork for value maximization, while actual business examples, integrated cases and Excel spreadsheet models demonstrate how financial theory in practice leads to solid financial decisions. Combining a clear, focused presentation with the most current coverage available, the 13th Edition delivers an in-depth introduction to core financial theories as well as emerging financial management developments and issues. Give future and current managers a thorough understanding of the financial theory that is essential for developing and implementing effective financial strategies in business today. Brigham/Ehrhardt's leading FINANCIAL MANAGEMENT: THEORY AND PRACTICE, 13E is the only text that presents a striking balance between solid financial theory and practical applications. Your students gain a strong working knowledge of today's financial environment as this edition examines recent financial crises; the global economic crisis; and role of finance in the world, business, and your students' personal lives. This book's relevant and engaging presentation, numerous examples, and emphasis on using Excel spreadsheets prepare students to make sound financial decisions in business. The book progresses from an early presentation of fundamentals to specific techniques and discussions that guide students in maximizing the value of a firm. This text is not only the ideal choice for today's introductory MBA course, but also serves as a complete reference tool for students throughout their academic and business careers. Integrated practice using Thomson ONE-Business School Edition gives students hands-on experience with the same research tool Wall Street professionals use daily. The book's comprehensive support, including best-selling Aplia Finance for homework management and numerous online resources, helps you establish the strong financial foundation and skills students need for long-term business success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

With the same contemporary approach and dynamic examples that made previous editions so popular, this fully revised thirteenth edition of FUNDAMENTALS OF FINANCIAL MANAGEMENT continues to provide students with a focused understanding of today's corporate finance and financial management. This market-leading text offers a unique balance of clear concepts, contemporary theory, and practical applications in order to help students understand the concepts and reasons behind corporate budgeting, financing, working capital decision making, forecasting, valuation, and Time Value of Money (TVM). The thirteenth edition has been updated to include discussions of several major events such as the BP oil spill, the European debt crisis, and the ongoing weakness in the economy and financial markets. Numerous practical examples, Quick Questions, proven end-of-chapter applications, Integrated Cases, and real-world examples demonstrate theory in action. A comprehensive support package --prepared by the text authors -- connects closely with the book to reduce preparation time and reinforce students understanding. You can also engage your students with a variety of tools including Thomson One Business School Edition, the same financial online database professionals use every day; updated Excel spreadsheets models; today's leading online homework solution, Aplia for Finance; and CengageNOW course management system.
