behavioral finance expert Daniel Crosby offers an accessible and applied take on a discipline that has long tended toward theory at the expense of the practical. Readers are treated to real, actionable guidance as the promise of behavioral finance is realized and practical applications for everyday investors are delivered. Crosby presents a framework of timeless principles for managing your behavior and your investing process. He begins by outlining 10 rules that are the hallmarks of good investor behavior, including ' Forecasting is for Weathermen ' and ' If You ' re Excited, It ' s Probably a Bad Idea ' . He then goes on to introduce a unique new classification of behavioral investment risk that will enable

acquaintances, who have expressed a wish to read the complete story of my life, from my childhood to the present time, I have undertaken the writing of this book. By including even some incidents that, in themselves, may seem trivial, I have tried to make this account a full and accurate autobiography. In modesty, however, I have also desired to render my story as simple as possible, in fact, to give a vivid picture of my work, my opinions and my aspirations, not only as a teacher but also as a writer of sacred songs; and if I have spoken with a frankness that may seem akin to egotism, I hope that I may be pardoned; for I am fully aware of the immense debt I owe to those numberless friends, only a

the dizzy era of Prohibition through the dark days of the Second World War, he was a desperate nation's most beloved entertainer. But he was more than just a charismatic crooner: Bing Crosby redefined the very foundations of modern music, from the way it was recorded to the way it was orchestrated and performed. In this much-anticipated follow-up to the universally acclaimed first volume, NBCC Winner and preeminent cultural critic Gary Giddins now focuses on Crosby's most memorable period, the war years and the origin story of White Christmas. Set against the backdrop of a Europe on the brink of collapse, this groundbreaking work traces Crosby's skyrocketing

career as he fully inhabits a new era of American entertainment and culture. While he would go on to reshape both popular music and cinema more comprehensively than any other artist, Crosby's legacy would be forever intertwined with his impact on the home front, a unifying voice for a nation at war. Over a decade in the making and drawing on hundreds of interviews and unprecedented access to numerous archives, Giddins brings Bing Crosby, his work, and his world to vivid life--firmly reclaiming Crosby's central role in American cultural history.

most complete narrative biography of Crosby, Stills, Nash and Young, by acclaimed music journalist and Rolling Stone senior writer David Browne Even in the larger-than-life world of rock and roll, it was hard to imagine four more different men. David Crosby, the opinionated hippie guru. Stephen Stills, the perpetually driven musician. Graham Nash, the tactful pop craftsman. Neil Young, the creatively restless loner. But together, few groups were as in sync with their times as Crosby, Stills, Nash and Young. Starting with the original trio's landmark 1969 debut album, the group embodied much about its era: communal musicmaking, protest songs that took on the establishment and Richard Nixon,

## Bookmark File PDF For Crosby

and liberal attitudes toward partners and lifestyles. Their group or individual songs--"Wooden Ships," "Suite: Judy Blue Eyes," "After the Gold Rush," "For What It's Worth" (with Stills and Young's Buffalo Springfield), "Love the One You're With," "Long Time Gone," "Just a Song Before I Go," "Southern Cross"--became the soundtrack of a generation. But their story would rarely be as harmonious as their legendary and influential vocal blend. In the years that followed, these four volatile men would continually break up, reunite, and disband again--all against a backdrop of social and musical change, recurring disagreements and jealousies, and self-destructive tendencies that

# Bookmark File PDF For Crosby

threatened to cripple them both as a group and as individuals. In Crosby, Stills, Nash and Young: The Wild, Definitive Saga of Rock's Greatest Supergroup, longtime music journalist and Rolling Stone writer David Browne presents the ultimate deep dive into rock and roll's most musical and turbulent brotherhood on the occasion of its 50th anniversary. Featuring exclusive interviews with David Crosby and Graham Nash along with band members, colleagues, fellow superstars, former managers, employees, and lovers-and with access to unreleased music and documents--Browne takes readers backstage and onstage, into the musicians' homes, recording studios, and psyches, to chronicle

# Bookmark File PDF For Crosby

the creative and psychological ties that have bound these men together--and sometimes torn them apart. This is the sweeping story of rock's longest-running, most dysfunctional, yet pre-eminent musical family, delivered with the epic feel their story rightly deserves.
