"Mama Natural's Week to Week Guide to Pregnancy is the modern (and yet ancient) approach to pregnancy and childbirth. "Natural" recognizes that pregnancy and birth are normal, and that having a baby is a wondrous biological process and rite of passage—not a medical condition. This book draws upon the latest research showing how beneficial and life-changing natural birth is for both babies and moms. Full of weekly advice and tips for a healthy pregnancy, Grace details vital nutrition to take, natural remedies for common and troublesome symptoms, as well as the appropriate (and inappropriate) use of interventions. Pregnancy, childbirth, health, health and wellness, parenting, family"--

In this candid and witty memoir, Ernest Borgnine tells about his fifty-year career in motion pictures and television.

LOOKING FOR A NAME THAT MEANS SOMETHING SPECIAL TO YOU? Given the dizzying array of choices available, picking the right name for your baby can be daunting. Why waste hours looking through one long alphabetical list of names just to burn out even before you've run through A, B, and C? In this creative twist on the traditional name book, Baby Names Made Easy offers selections organized into categories of meaning, making it easier than ever to choose a name that is significant to you. Traditional or trendy, American in origin or from all over the globe, the names here cover an array of topics. For example, look under: Animals & Insects (and find "Naia" -- Hawaiian for "dolphin") Victory (and find "Vincent" -- Latin for "conquerer") Love & Affection (and find "Mia" -- Italian for "mine") Religion & Faith (and find "Dev" -- Sanskrit for "God") The book's handy alphabetical index makes cross-referencing easy, so you can find the perfect name in no time. Baby Names Made Easy is a practical and one-of-a-kind reference for anyone searching for the most important gift they can give their child.

Announcing the prequel! From Heidi Murkoff, author of the world's bestselling pregnancy and parenting books, comes the must-have guide every expectant couple needs before they even conceive - the first step in What to Expect: What to Expect Before You're Expecting. Medical groups now recommend that all hopeful parents plan for baby-making at least three months before they begin trying. And who better to guide want-to-be mums and dads step-by-step through the preconception (and conception) process than Heidi Murkoff? It's all here. Everything couples need to know before sperm and egg meet. Packed with the same kind of reassuring, empathic and practical information and advice that readers have come to expect from What to Expect, only sooner. Which baby-friendly foods to order up (say yes to yams) and which fertility-busters to avoid (see you later, saturated fat); lifestyle adjustments that you'll want to make (cut back on cocktails and caffeine) and those you can probably skip (that switch to boxer shorts). How to pinpoint ovulation, keep on-demand sex sexy, and separate conception fact from myth. Plus, when to seek help and the latest on fertility treatments - from IVF to surrogacy and more. Complete with a fill-in fertility journal to keep track of the baby-making adventure and special tips throughout for hopeful dads. Next step? What to Expect When You're Expecting, of course.
