The sole Lantzmen was Yiddish vocalist Ed Powell. Mazel Tov, Mis Amigos was far more musically vivid than many of its Latin-Jewish ancestors, laced with flashes of jazz improvisation and montuno vamping. Papirossen, a usually mournful ode to cigarettes, is done as a blazing, quickstep mambo. Yossel, Yossel had become popular as Joseph!

Winner of the Jewish Music Special Interest Group Paper Prize of 2018 Mazal Tov, Amigos! Jews and Popular Music in the Americas seeks to explore the sphere of Jews and Jewishness in the popular music arena in the Americas. It offers a wide-ranging review of new and old trends from an interdisciplinary standpoint, including history, musicology, ethnomusicology, ethnic studies, cultural studies, and even Queer studies. The contribution of Jews to the development of the music industry in the United States, Argentina, or Brazil cannot be measured on a single scale. Hence, these essays seek to explore the sphere of Jews and popular music in the Americas and their multiple significances, celebrating the contribution of Jewish musicians and Jewishness to the development of new musical genres and ideas.

Mazal Tov, Amigos! Jews and Popular Music in the Americas explores the sphere of Jews and Jewishness in the popular music arena in the Americas, by creating a framework for the discussion of new and old trends from an interdisciplinary standpoint.

A heartwarming, funny and provocative memoir of a woman navigating clashing cultures during her decades-long friendship with an Orthodox Jewish family, new in paperback When 20-year-old student J. S. Margot took a tutoring job in 1987, little did she know it would open up an entire world. In the family's Orthodox Jewish household she would encounter endless rules - 'never come on a Friday, never shake hands with a man' - and quirks she had not seen before: tiny tubes on the doorposts, separate fridges for meat and dairy products. Her initial response was puzzlement and occasionally anger, but as she taught the children and fiercely debated with the family, she also began to learn from them. Full of funny misunderstandings and unexpected connections, Mazel Tov is a heartwarming, provocative and disarmingly honest memoir of clashing cultures and unusual friendships - and of how, where adults build walls, sometimes only children can dissolve them.

In Mazel Tov, celebrity journalist Jill Rappaport and photographer Linda Solomon offer an intimate glimpse of the bar or bat mitzvahs of some of the most talented people in entertainment, politics and business. This remarkable book brings together stories and never-before-seen family photos of a variety of public figures, as they look back on their thirteen-year-old selves and reminisce about the celebration that marked their transition into adulthood. The wonderfully candid interviews in Mazel Tov document deeply poignant, and often hilariously awkward, moments in these very public lives. Interviewees include Jeremy Piven, Senator Joseph Lieberman, Marlee Matlin, Richard Dreyfuss, Ronald Perelman, Howie Mandel, Gene Shalit, Harvey Fierstein, Judy Gold, Larry King, Donny Deutsch, Michael Kors, Charles Grodin, Josh and Andy Bernstein, and many others. Their experiences run the gamut: Kirk Douglas decided to be bar mitzvahed twice, while others, like Noah Wyle, always wanted one but never had the chance. There are stories of bar mitzvahs, bat mitzvahs, confirmations, and the only documented "bark" mitzvah, held in honor of two beloved pets. Though the stories vary greatly in their detail, they all express a common appreciation for values and traditions that have been passed down through the generations. Illustrated with photos pulled from family albums as well as contemporary portraits, Mazel Tov is an appealing tribute to the enduring bonds of faith and family.
