Money Talks: Corporate-Pacs-and-Political-Influence-Dan

The idea is simple: talk to the people running PACs about money in politics. The understanding they share about power relations between business and government are more relevant than ever. Sure, things have gotten worse since Citizens United, but the authors were already discussing all of the important details 25 I'm surprised that this book isn't more widely regarded - it is excellent.

Money Talks: Corporate-Pacs-And-Political-Influence-by-Dan

Money Talks shows how PACs work - out of the public eye - to make minor changes in the wording of a bill, long before it reaches the floor of Congress. If a company can get the wording it wants, according to one PAC director, then "it doesn't much matter how people vote afterwards". PAC directors are not worried by reform proposals, the book shows.
