There she was bought by a plantation owner and given to his son as a "birthday present". Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.

Delia loves Double Dutch. And she's good at it. Really good. So good that her team has a chance to win the World Double Dutch Championships this year -- Delia is sure of it. What she is less sure of is her chance of passing the school's state exam, because Delia has been using her success at Double Dutch to mask a secret that could jeopardize her place on the team, and also her future. Delia's not the only one with a secret. Her potential boyfriend, Randy, has one too -- his dad has been missing for weeks, and Randy hasn't told anyone for fear he'll be put in a foster home. But he is running out of money and getting scared. The one thing that isn't a secret is that their classmates, the Tolliver twins, are out to cause trouble. With their skull caps, angry demeanors, and hints of violence emanating from even the way they stalk down the school halls, they seem to enjoy intimidating the other kids. But will they cross the line from intimidation to violence? With consummate skill and an uncanny ability to capture how real kids think, act, and feel, Tears of a Tiger author Sharon M. Draper weaves these three stories tighter and tighter, creating a novel that tingles with suspense and emotion.
