The Burning brought the epic Fear Street Saga to a fiery conclusion, and I was not disappointed. The Secret had started getting a bit repetitive with its "love at first sight" narratives and forgettable characters, but The Burning< successfully shook up the formula. The characters felt more complex, and the love stories were more compelling.

R.L. Stine is probably known best for his Goosebumps books (especially since it got turned into a TV show) but he did write some fun books for teenagers. This trilogy is one of them, exploring the family of Fear Street through the generations, all the way back to the first Fiers (Fears) and Goodes in Puritan times.

The Burning (Fear Street Saga Book 3) eBook: Stine, R.L ...
Nora knows the secrets behind the horrifying things happening on Fear Street and reveals the dark legacy that marked the start of the terror three hundred years earlier, when a young girl was...

Daniel and Nora, two young lovers from feuding families, must use their forbidden love to stop the awesome evil that stalks Nora and her family.

Nora knows the secrets behind the horrifying things happening on Fear Street and reveals the dark legacy that marked the start of the terror three hundred years earlier, when a young girl was burned at the stake.

From the beloved and bestselling author of the Goosebumps series comes the haunting and terrifying Fear Street Saga-now available in one chilling paperback edition. Fear Street is cursed. It's been that way for hundreds of years. Unspeakable horrors haunt those who've walked on its terrifying path. And it all started with one family—the Fears. Go back to how it all began and discover the dark family secrets buried underneath years of terror, from who sentenced an innocent woman to burn at the stake, to why the Fear mansion caught on fire, and how forbidden love, a bloody feud, and dark magic unleashed the curse that has lasted for far too long. And how Fear Street became the evil place it is today.

The Baron de Téroze has successfully married off his eldest daughter to a Colonel of the Dragoons, and now it is time for him to arrange his younger daughter's nuptials. The leading magistrate of the parliament at Aix seems to him the ideal candidate. Unfortunately, the young Mademoiselle de Téroze is in love with another man. A series of hilarious manipulations designed to rid the beautiful marchioness of her odious old husband ultimately result in an astonishing yet fitting denouement. French author Marquis de Sade (1740-1814) is best known for his licentious novels and pornographic writings, many of which were penned during his frequent stays in prison and, ultimately, a mental asylum. Recently he has been reinterpreted as a moralist whose unflinching investigations into the nature of sexual pathology anticipated Nietzsche and Freud.

The Fear name brings fortune...and doom. The dark power of the Fear family consumes all those connected with it. The Fears. Those they love -- and hate. The entire town of ShadySide. All are tainted forever by the evil of the family's curse. No one can escape. Nora Goode and Daniel Fear hoped to end the curse of the Fear family. But on their wedding day, a horrible fire swept through the Fear mansion, taking the life of every member of the doomed family. Except one. A new Fear. The child of Nora and Daniel. Will he be able to live his life untouched by the evil of his family? Or will the dark forces claim yet another Fear for their own?

In the second novel of a terrifying trilogy, R.L. Stine takes you back in time, finally telling the awful truth of what happened to the cursed Fear family...and why their evil lives on. Simon Fier meets an old gypsy who tells him his family will all die in a terrible fire. Terrified, he changes the family name to Fear, but he can't escape the curse.

Nora knows the secrets behind the horrifying things happening on Fear Street and reveals the dark legacy that marked the start of the terror three hundred years earlier, when a young girl was burned at the stake.

A collector's edition of a special Fear Street trilogy features a see-through vellum and foil dual stepback cover that comes complete with a fold-out color poster of the Fear Family Tree that describes the Fear Street history. Reissue.

From the beloved and bestselling author of the Goosebumps series comes three haunting and terrifying Fear Street Saga novels-now available in one chilling paperback edition. Fear Street is cursed. It's been that way for hundreds of years. Unspeakable horrors haunt those who've walked on its terrifying path. And it all started with one family—the Fears. Go back to how it all began and discover why the heir to the Fear name attempted to escape the family curse, how a young woman fell victim to the haunted Fear mansion, and why marrying into the Fear family means being trapped in a world of death and horror. And how Fear Street became the evil place it is today.
