Powered by JustWatch [The Education of Little Tree] is another fine family movie that will no doubt be ignored by the fine families of America. The notion that there is a hungry audience for good family entertainment, nurtured by such dreamers as the critic Michael Medved, is a touching mirage.

Recounts the childhood remembrances of an orphaned Native American boy living with his Cherokee grandparents in a mountain log cabin in eastern Tennessee during the 1930s.

The Education of Little Tree tells of a boy orphaned very young, who is adopted by his Cherokee grandmother and half-Cherokee grandfather in the Appalachian mountains of Tennessee during the Great Depression. "Little Tree" as his grandparents call him is shown how to hunt and survive in the mountains, to respect nature in the Cherokee Way, taking only what is needed, leaving the rest for nature to run its course. Little Tree also learns the often callous ways of white businessmen and tax collectors, and how Granpa, in hilarious vignettes, scares them away from his illegal attempts to enter the cash economy. Granma teaches Little Tree the joys of reading and education. But when Little Tree is taken away by whites for schooling, we learn of the cruelty meted out to Indian children in an attempt to assimilate them and of Little Tree's perception of the Anglo world and how it differs from the Cherokee Way. A classic of its era, and an enduring book for all ages, The Education of Little Tree has now been redesigned for this twenty-fifth anniversary edition.

Little Tree is an 8-year-old Cherokee boy, who, during the time of the depression, loses his parents and goes to live with his mountain dwelling grandparents and learn the wisdom of the Cherokee way of life.

A fictionalized portrait of Geronimo places the great Apache leader within the context of his times and culture, revealing his extraordinary talents and exploits

Little Tree is very happy in the forest, where he is surrounded by other little trees and his leaves keep him cool in the heat of summer, but when autumn comes and the other trees drop their leaves, Little Tree cannot be persuaded to let his go, even after they wither and turn brown.

Josey Wales was the most wanted man in Texas. His wife and child had been lost to pre-civil War destruction and, like Jesse James and other young farmers, he joined the guerrilla soldiers of Missouri--men with no cause but survival and no purpose but revenge. Josey Wales and his Cherokee friend, Lone Watie, set out for the West through the dangerous Camanchero territory. Hiding by day, traveling by night, they are joined by an Indian woman named Little Moonlight, and rescue an old woman and her granddaughter from their besieged wagon. The five of them travel toward Texas and win through brash and honest violence, a chance for a new way of life.

Recounts the childhood remembrances of an orphaned American Indian boy living with his Cherokee grandparents in a mountain log cabin in eastern Tennessee during the 1930s

Orphaned at the age of five, Forrest Carter went in the 1930's to live with his Cherokee grandparents in the mountains of Tennessee. The education he describes here does not refer to formal instructions, but to an ancient native wisdom and a way of life that is not found in the institutions of the modern world. 'Little Tree' learns from his grandparents reverence for the land and for all living creatures; an awareness of the great cycles of the natural world - from seasonal changes to the spiral of life and death - and a sense of honour combined with a rich and mischievous humour. THE EDUCATION OF LITTLE TREE has been described as one of the finest American Autobiographies ever written. Forrest Carter has a rare gift for storytelling and with the poignant, hair-raising and often hilarious stories stories as well as the values it conveys, this is a unique book with a voice that carries across all generations.

Josey Wales is out for the blood of the pro-Union Jayhawkers who raped & murdered his wife. When Wales refuses to surrender, he begins a life on the run from the law, reluctantly befriendng a diverse group of whites & Indians on his quest for revenge and a new life.

Woodson's classic work of criticism explores how the education received by blacks has failed to give them an appreciation of themselves as a race and their contributions to history. Woodson puts forward a program that calls for the educated to learn about their past and serve the black community. (Education/Teaching)
