Absolutely recommended for young readers, old readers, and those that want an escapist, nostalgic traditional fantasy."

Sometimes the past does not let go. Tenai is determined that no one will use her to break the fragile peace of her world, even if that means she must support and defend the son of her bitterest enemy. But set against four hundred years of fury and hatred, that determination may not be enough. Daniel has come to know far more about Tenai's adversaries than he ever wanted to - more than she knows herself. Forced into unwilling cooperation with these enemies, Daniel must find a way to defy their plans, protect his daughter, and help Tenai overcome the shadows of her past - before it's too late.

make that happen—until chance unexpectedly leaves Kehara on his doorstep and at his mercy. Yet in a land where immanent spirits inhabit the earth, political disaster is not the greatest peril one can face. Now, as the year rushes toward the dangerous midwinter, Kehera and Innisth find themselves unwilling allies, and their joined strength is all that stands between the peoples of the Four Kingdoms and utter catastrophe.

For generations the Ugaro of the winter country have traded peacefully with the Lau of the summer lands. But now a fatal mistake has created bitterness and hatred on both sides of the river, threatening to destroy a peace that has become tenuous. Nikoles Ianan realizes, too late, that he should have prevented his own people's unforgivable trespass - he should at least have tried. Now it seems impossible for a single Lau soldier to do anything to prevent the escalating tragedy ... until the most famous scepter-holder of the summer country arrives. Lord Aras Samaura has urgent tasks waiting elsewhere and little time to forge a new peace before bitterness turns to outright war. He'll need luck - and all the help he can get from a young Lau soldier with a unique connection to the Ugaro people and the determination to do whatever he must to atone for his mistake.

"A prince and a princess must work together to save their kingdom from invaders...and dangers within"--

Leigh Bardugo meets *The Sixth Sense* in this story of one girl's perilous journey to restore a lost order. Imagine you live with your aunt, who hates you so much she's going to sell you into a dreadful apprenticeship. Imagine you run away before that can happen. Imagine that you can see ghosts—and talk with the dead. People like you are feared, even shunned. Now imagine . . . the first people you encounter after your escape are a mysterious stranger and a ghost boy, who seem to need you desperately—though you don't understand who they are or exactly what they want you to do. So you set off on a treacherous journey, with only a ghost dog for company. And you find that what lies before you is a task so monumental that it could change the world. Praise for Rachel Neumeier's *The Keeper of the Mist*: "This is a beautifully written story that emphasizes intelligence and diplomacy. Recommend to fans of Patricia Wrede and Tamora Pierce, as well as lovers of traditional fantasy." —School Library Journal, starred
