Are you stumbling through Life? Have you lost your direction? Do you have a clear path for your life and a way to achieve your goals? Many people struggle when it comes to their life 's journey. They often make bad decisions with the best intentions only to feel hopeless and helpless in their path when things didn ' t go as planned. Dolly Parton, a famous award-winning country singer, said, " If you don ' t like the road you ' re walking, start paving another one. " You can ' t rely on your family, friends, or colleagues to change your direction. The focus of creating your path is your responsibility. Where do you start? How do you pave another path when it ' s God ' s path you must travel? With numerous distractions prevalent in our lives, the challenge to create a path without God in control and seek the advancement of self becomes enticing. We are taught as children to focus on becoming the best we can be and at all costs. The saying, " I think I can " becomes, " I know I can, " and as a result, we become entrapped in achieving our success without God ' s direction. What do you do when your path does not lead to success? What happens when you start creating a path that isn ' t God-centered and driven? Is there only one path? *Self the Hidden Idol* by Willie R. Smith, a full-time missionary, examines how we deceive ourselves into thinking we can do all things possible without God in our lives, and self-idolization erupts deep within. The effect is devastating in our lives resulting in despair, depression, and hopelessness. The desired outcome for readers is to become aware of their hidden idol, they maintain within, and address it head-on with no excuses. Smith discusses the many facets of self-awareness of the idol within and how we became self-centered. A reader will learn to recognize their hidden idol, and how to live a selfless life of victory through Christ Jesus, even when the path chosen seems to lead to nowhere. A directionless path is a destructive path. There is victory ahead in your path when you address the idol within and allow God to lead the way. Start your journey to victory today; form your path in the direction He designed for you. *Self the Hidden Idol* will guide you on your journey. Be victorious!

From pastor and New York Times bestselling author Timothy Keller comes the perfect gift for the Christmas holiday--a profoundly moving and intellectually provocative examination of the nativity story. Even people who are not practicing Christians think they are familiar with the story of the nativity. Every Christmas displays of Baby Jesus resting in a manger decorate lawns and churchyards, and songs about shepherds and angels fill the air. Yet despite the abundance of these Christian references in popular culture, how many of us have examined the hard edges of this biblical story? In his new book Timothy Keller takes readers on an illuminating journey into the surprising background of the nativity. By understanding the message of hope and salvation within the Bible's account of Jesus' birth, readers will experience the redeeming power of God's grace in a deeper and more meaningful way.

Die Frage der Beziehung zwischen dem Jesajabuch und dem Buch der Zwölf Propheten ist angesichts vielfältiger Überlegungen sprachlicher und motivischer Art zentral, jedoch hinsichtlich der damit verbundenen möglichen Implikationen bislang nur ungenügend bearbeitet. Im Rahmen eines internationalen Kongresses, der vom 31. Mai bis 3. Juni 2018 an der Katholischen Universität Eichstätt-Ingolstadt stattfand, suchten Fachleute des Zwölfprophetenbuches bzw. des Jesajabuches mit unterschiedlichen methodischen Ansätzen ein umfassenderes Bild der verschiedenen Arten von Beziehungen oder thematischen Überlegungen zu erarbeiten, die entweder für die beiden Corpora als ganze oder für spezifische Teile beider charakteristisch sind, um daraus entsprechende Schlussfolgerungen zu ziehen. Das Ergebnis ist ein Überblick zur Vielfalt der semantischen, intertextuellen, literarischen, redaktionellen, historischen und theologischen Aspekte der Beziehungen zwischen dem Jesajabuch und dem Zwölfprophetenbuch, die einlinigen Lösungsvorschlägen zur Erklärung des

In this pop Christian culture many believers have never been exposed to the great truths upon which the Church of Jesus Christ has been built. One of those forgotten truths is the purpose and power of the blood of Jesus. We sing about it in our hymns, there is power in the blood, but few of us have experienced the realty of those words. Chavda carefully lays the foundation as he presents a refreshing look at the importance of the blood of Jesus in the life of the believer. The Hidden Power of the Blood of Jesus is theologically sound but passionately written in a way that the reader will gasp for air as he discovers each new truth. Chavda will transform your thinking on the ' blood of Jesus ' as he lifts it out of its stuffy theological setting and makes it practical in your life.
