Amazon.com: The Secret Life of Houdini: The Making of ...

The " Houdini was a spy " aspect of the new biography, The Secret Life of Houdini: The Making of America's First Superhero by William Kalush and Larry Sloman — which has been so hyped in the media and debated by magic historians — is a distraction from what should be seen, first and foremost, as a major new Houdini biography loaded with fascinating new facts about the great magician ' s life and career.

Using exclusive access to newly uncovered archives, Kalush and Sloman reveal the clandestine agreements in which the British and Americans recruited Houdini to be an active secret agent. In exchange for his cooperation, the governments of these two countries facilitated his rise to the top of the world stage. The authors give thrilling accounts of his assignments, such as his participation in early aerial surveillance and his use of his own magic magazine to communicate espionage-related information. After the war, Houdini embarked upon what became his most dangerous mission when he took on the Spiritualist movement. Convinced that Spiritualist mediums were frauds, he became obsessed with exposing them. But the Spiritualists were a powerful adversary. An organized network of fanatics, led by Sherlock Holmes creator Arthur Conan Doyle, worked relentlessly to orchestrate a campaign that would silence Houdini forever. Grounded in solid research, but as exciting and dramatic as a good thriller, THE SECRET LIFE OF HOUDINI traces the magician's long and circuitous route from struggling vaudevillian to worldwide legend.

In this groundbreaking book, renowned magic expert Kalush and bestselling writer Sloman team up to expose Harry Houdini's secret life as a spy, and the stunning plot to murder the magician and destroy his legacy. Photos throughout.

Originally published 1930's. A well illustrated compendium of the famous Harry Houdini's magic tricks and illusions. All explained in detail.Many of the earliest magic books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing many of these classic works in affordable, high quality, modern editions, using the original text and artwork.

Joe Ponsanski enters the colorful world of Harry Houdini and his legions of devoted fans to explore the illusionist ' s impact on global culture—and why his legacy endures to this day. Nearly a century after Harry Houdini died on Halloween in 1926, he feels as modern and alive as ever. The name Houdini still leaps to mind whenever we witness a daring escape. The baby who frees herself from her crib? Houdini. The dog who vanishes and reappears in the neighbor ' s garden? Houdini. Every generation produces new disciples of the magician, from household names in magic like David Copperfield and David Blaine to countless other followers whose lives have been transformed by the power of Houdini. In rural Pennsylvania, a thirteen-year-old girl finds the courage to leave a violent home after learning that Houdini ran away to join the circus; she eventually becomes the first female magician to saw a man in half on television. In Australia, an eight-year-old boy with a learning impediment feels worthless until he sees an old poster of Houdini advertising " Nothing on earth can hold Houdini prisoner, " and begins his path to becoming that nation ' s most popular magician. In California, an actor and Vietnam War veteran finds purpose in his life by uncovering the secrets of his hero. But the unique phenomenon of Houdini was always more than his death-defying stunts or his ability to escape handcuffs and straitjackets. It is also about the power of imagination and self-invention. His incredible transformation from Ehrich Weiss, humble Hungarian immigrant and rabbi ' s son, into the self-named Harry Houdini has won him a slice of immortality. No one has withstood the test of time quite like Houdini. Fueled by Ponsanski ' s personal obsession with the magician—and magic itself—The Life and Afterlife of Harry Houdini is a poignant odyssey of discovery, blending biography, memoir, and first-person reporting to trace Houdini ' s metamorphosis into an iconic figure who has inspired millions.

For many performers, stage life and real life are separate identities. For master illusionist Harry Houdini, the two were inextricably linked. In this widely acclaimed biography, Ruth Brandon shows how Houdini ' s obsession with his own mortality drove him to create death-defying stunts that not only captivated the public but also subdued his own raging psychological demons. As Brandon relates Houdini ' s methods of escape, she asks: What was he trying to escape from? Her exploration of the psychic landscape of one of the most enduringly famous performers of the twentieth century makes for utterly fascinating reading. Brandon reveals much that is new: how Houdini invented a phantom son; why he wrote long daily letters to his wife, Bess, who lived one floor below him; his combative relations with mediums and spiritualists, including Arthur Conan Doyle; and the first full description of his fabled death. This definitive biography allows readers to peer into Houdini ' s psyche and understand him more deeply than ever before.

Written by the master magician himself, this fascinating work reveals the secrets behind how Houdini escaped numerous death-defying stunts and exposed a variety of fake spiritualists. He also gives instructions for 44 eye-catching stage tricks, as well as other fascinating material. 155 illustrations.

" Richly lyrical and thought-provoking " (Publishers Weekly, starred review), this " stellar debut from a novelist to watch " (Geraldine Brooks, Pulitzer Prize winning author) explores the passionate marriage of Harry Houdini and his wife, Bess—a love story that defied death itself. Before escape artist Harry Houdini died, he vowed he would find a way to speak to his beloved wife, Bess, from beyond the grave using a coded message known only to the two of them. But when a widowed Bess begins seeing this code in seemingly impossible places, it becomes clear that Harry has an urgent message to convey. Unlocking the puzzle will set Bess on a course back through the pair ' s extraordinary romance, which swept the illusionist and his bride from the beaches of Coney Island, to the palaces of Budapest, to the back lots of Hollywood. When the mystery finally leads Bess to the doorstep of a mysterious young photographer, she realizes that her husband ' s magic may have been more than just illusion. In surprising turns that weave through the uncertain days of the dawn of the twentieth century and continue into the dazzling 1920s, Mrs. Houdini is a " dazzling and enchanting " (Shelf Awareness, starred review) tale, " a marvel that gallops through time and space " (Associated Press), and a " mesmerizing reimaging " (People) of one of history ' s greatest love stories.

San Francisco, 1915. As America teeters on the brink of world war, Charmian and her husband, famed novelist Jack London, wrestle with genius and desire, politics and marital competitiveness. Charmian longs to be viewed as an equal partner who put her own career on hold to support her husband, but Jack doesn't see it that way...until Charmian is pulled from the audience during a magic show by escape artist Harry Houdini, a man enmeshed in his own complicated marriage. Suddenly, charmed by the attention Houdini pays her and entranced by his sexual magnetism, Charmian's eyes open to a world of possibilities that could be her escape. As Charmian grapples with her urge to explore the forbidden, Jack's increasingly reckless behavior threatens her dedication. Now torn between two of history's most mysterious and charismatic figures, she must find the courage to forge her own path, even as she fears the loss of everything she holds dear.

&&LDIV&&R&LDIV&&R&&LP style="MARGIN: 0in 0in 0pt"&&R Illusionist, escape artist, movie star, aviator, and spy—Harry Houdini was all these and an international celebrity and the world ' s most famous magician. This fascinating biography looks at all the facets of Houdini ' s amazing life and includes 21 magic tricks and illusions for a hands-on learning experience. From the prizewinning Jewish Lives series, an exuberant biography of the world ' s greatest escape artist. In 1916, the war in Europe having prevented a tour abroad, Harry Houdini wrote a film treatment for a rollicking motion picture. Though the movie was never made, its title, " The Marvelous Adventures of Houdini: The Justly Celebrated Elusive American, " provides a succinct summary of the Master Mystifier ' s life. Born Erik Weitz in Budapest in 1874, Houdini grew up an impoverished Jewish immigrant in the Midwest and became world-famous thanks to talent, industry, and ferocious determination. He concealed as a matter of temperament and professional ethics the secrets of his sensational success. Nobody knows how Houdini performed some of his dazzling, death-defying tricks, and nobody knows, finally, why he felt compelled to punish and imprison himself over and over again. Must a self-liberator also be a self-torturer? Tracking the restless Houdini ' s wide-ranging exploits, acclaimed biographer Adam Begley asks the essential question: What kind of man was this? About Jewish Lives: Jewish Lives is a prizewinning series of interpretative biography designed to explore the many facets of Jewish identity. Individual volumes illuminate the imprint of Jewish figures upon literature, religion, philosophy, politics, cultural and economic life, and the arts and sciences. Subjects are paired with authors to elicit lively, deeply informed books that explore the range and depth of the Jewish experience from antiquity to the present. In 2014, the Jewish Book Council named Jewish Lives the winner of its Jewish Book of the Year Award, the first series ever to receive this award. More praise for Jewish Lives: " Excellent. " — New York times " Exemplary. " — Wall St. Journal " Distinguished. " — New Yorker " Superb. " — The Guardian
